Autumn 1 2025

Year 5

As readers, we will...

read and explore a wide range of texts including non-fiction and poetry. Our Guided Reading text is "Kensuke's Kingdom". We will be developing vocabulary and comprehension skills.

As writers, we will...

write to describe, writing science-fiction settings. We will write to explain, linking our writing to our science learning. Our Grammar focus is relative clauses and we will be revising the past and present tense.

As mathematicians, we will...

continue work on place value, using numbers to 100,000.

We will develop our understanding of addition and subtraction.

We will learn how to multiply larger numbers as well as learning multiples, factors and prime numbers.

As scientists, we will...

be studying forces including gravity, friction and air resistance. We will develop our investigation skills by using accurate measurements and fair tests.

We will investigate the mechanisms that use forces - for example levers, pulleys and gears.

In computing, we will...

be completing the unit "Systems and Searching", evaluating internet searches. We will continue to think about keeping ourselves safe online.
