	Area of Learning (Teaching Programme from Framework)	Begin to make sense of their own life story and family's history Comment on images of familiar situations in the past Compare and contrast characteristics from stories including figures from the past	Skills and Knowledge we want the children to have at end of EYFS	ELG: Understanding the World Past and Present	FS vocabulary
FS	<p><b>Understanding the World</b> Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.</p>	<p><b>FS1</b> <b>Begin to make sense of their own life story and family's history.</b></p> <p><b>FS2</b> <b><u>Autumn Term</u></b> Talking about when they were a baby.</p> <p><b><u>Spring Term</u></b> Timeline of their life.
