

Wednesday 17th May 2023

Dear Parents/carers,

We are delighted to be able to share with you the final report from our recent Ofsted inspection. Stepney is a good school!

We will continue to work hard on achieving the best possible outcomes for your child. During the inspection the inspection team spoke very positively about the children's behaviour and attitude to learning.

We will of course continue to develop as a school and will focus some of this work on the points for development which are detailed towards the end of the report. We will continue to work together with you to improve our attendance outcomes.

Many of you made some very positive comments about the school which the Ofsted team fed back to the staff. These comments were greatly appreciated.

Thank you for your continued support.

Julia Mitchell and Jo Atkinson
