Consent form for Pupils – Use of Media Images (GDPR)

Child's name: Year Group:

Dear Parent/Carer,

At Stepney Primary we sometimes take photographs of pupils. We use these photos in the school's prospectus, on the school's website, social media and on display boards around school.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

Yes

I am happy for Stepney Primary to use photos of my child:

- on the school/trust/teaching school websites.
- in the school prospectus.
- in internal displays.
- in external displays (such as exhibitions outside school)
- on Social Media sites. (Twitter, Facebook, Instagram)

As a school we sometimes sign up to on-line educational services for Teaching and Learning. Any information used to set up these services up will be in accordance with associated privacy legislations, including the GDPR. There will be a link to all the services that we are signed up to on our website www.stepney.hull.sch.uk

From time to time we may contact you with information on events in school. I am happy to receive such information.

As from May 2018 the new data protection rules have now come into.. To ensure we meet these new requirements, we need to seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Under the data protection law, individuals have a right to be informed about how we use any personal data held about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. These notices are available at <https://www.yhclt.net/documents-policies>

If you have any concerns regarding this please call the school on 01482 343690 to discuss this with a member of staff.
