

Stepney Internet Survey (October 2018)

Dear Parents/Carers

We now live in an age where we use more technology in our lives. At Stepney, we aim to give our pupils more opportunities to develop their ICT skills to help them with their school work and in preparation for their future lives.

Over the last few years we have made more use of ICT in school and improved the availability of online resources for our pupils. We would be grateful if you could complete the survey below to give us a clear idea of ICT usage by our pupils and help us to make further improvements:

1) Which of the following devices does your child have access to at home?

- | | | |
|--------------------------------------|--------------------------|-----------------------------------|
| Mobile Phone | <input type="checkbox"/> | (Please tick the relevant box/es) |
