

As Scientists we will...

identify common appliances that run on electricity. We will learn how to construct and explore different circuits, using bulbs, wires, batteries and switches.

Using circuits, we will investigate if materials are conductors or insulators.

As Historians we will...

explore conflict and settlements during the Anglo-Saxon era. We will know how Anglo-Saxon tribes spread across Britain. We will investigate Anglo-Saxon settlements in Britain and how this changed society.

In Jigsaw we will...

explore the theme, 'Dreams and Goals'.

In the Arts we will...

continue our Music sessions, learning to read musical notation and play the glockenspiel.

In Design and Technology we will...

develop our understanding of mechanisms, including levers. We will design and make a trebuchet.

Key Vocabulary

Anglo-Saxon Hengist
Horsa King Vortigern
kingdoms Picts Scots
Sutton Hoo tribe

Year 4 Anglo-Saxons

In RE we will...

explore the theme 'People who inspire us' through the question, 'What makes a saint?'

In PE we will...

play games that develop responses to the flight, speed and direction of a ball.

As Readers we will...

read and explore a wide range of texts including non-fiction and poetry. Our guided reading text is the classic fiction novel 'Charlotte's Web' and we will be using this to develop our comprehension skills.

As Writers we will...

write a story with a dilemma. We will continue to develop our understanding of grammar and punctuation.

As Mathematicians we will...

develop our understanding of multiplication and division, understanding patterns and relationships.

Alongside this, we will continue to practise our times tables, focusing on our speed and accuracy.

In Computing we will...

develop our knowledge of how to use technology respectfully and responsibly, including on apps, games and websites.

Develop programming skills through our unit 'Repetition in Shapes'.
